**ECOSENSE® NAMED TO INC MAGAZINE LIST OF FASTEST GROWING
PRIVATE COMPANIES IN AMERICA**

*EcoSense honored as 59th Fastest Growing Private Company in US with a three-year
growth rate of 5,059%*

Los Angeles, CA, August 22, 2014 — Inc. magazine announced that [EcoSense](#) ranked number 59 on its annual Inc. 500|5000 List, an exclusive ranking of the nation's fastest growing private companies. This distinction not only sets EcoSense apart from other private company in America, but it also highlights EcoSense as the fastest growing lighting manufacturer in the industry.

In addition to achieving 59th place overall, EcoSense was also honored as the 2nd fastest growing manufacturing company in America, 5th fastest growing company in the Los Angeles Metro Area and 11th fastest growing company in the state of California.

Over the past three years EcoSense grew more than 5059%—a substantial achievement born out of incredibly hard work and dedication. The company is admired in the industry for innovating new LED technologies and delivering a comprehensive line of high-performance LED linear products. EcoSense illuminates thousands of venues around the world and partners with the most coveted global brands, such as Burberry, BMW, Louis Vuitton, Lexus, Mercedes, and Marriott.

“We are thrilled to be recognized by Inc. magazine. This is a reflection of the unbelievable people we have and our drive to deliver the best LED technology and products.” says Mark Reynoso, CEO of EcoSense.

###

About EcoSense

Founded by a team of long-serving industry experts with proven know-how in the development and best practices of solid-state illumination, EcoSense provides best-in-class LED lighting solutions for use in commercial and architectural applications. The company offers a comprehensive line of high-performance LED fixtures that meet the

technical requirements of the most demanding projects while delivering substantial benefits over traditional lighting sources. EcoSense was established in 2008, is privately held and has received numerous accolades including two LUX Awards, three Product Innovation Awards (PIA), a Next Generation Lighting (NGL) Award and an Infiniti Award. EcoSense is also recognized by Inc. Magazine on the 2014 Inc. 500|5000 List of Fastest Growing Companies in America.

About Inc. 500|5000

The 2014 Inc. 500|5000 list ranks companies according to percentage revenue growth between 2010 and 2013. To qualify, companies must be U.S.-based, privately held, for profit and independent, and must have been founded and generating revenue by March 31, 2010. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000 and can be found at www.inc.com/500.
